

Cajun Hoedown

(Lyrics by Ron Reid Gardner)

Got me reelin' good time feelin'
It's a Cajun hoedown

Down in Louisiana in my hometown
Saturday night is a big hoedown
The whole town meets up at someone's house
To party with their friends

The kids and the old folks are all there
A real traditional family affair
You gotta be there or you'll be square
It's a Cajun hoedown

Chorus:

And we dance the whole night away
To good Cajun sounds
The squeeze box and fiddle fill the air
And there's no place I'd rather be
Than my small hometown
On Saturday night at a Cajun hoedown
Nothing is better than to be with friends
Next Saturday night we'll do it again
If you got time just come on in
It's a Cajun hoedown

Mama brings gumbo and crawfish pie
Daddy's moonshine puts mud in your eye
The kids are excited 'bout the old tire swing
At the lake where they can swim

There's plenty of food like a big picnic
An acoustic band for dancin' a bit
A big bonfire that my uncle lit

It's a Cajun hoedown

Chorus: And we dance the whole night away....

Got me reelin' good time feelin'
It's a Cajun hoedown

Chorus: And we dance the whole night away....

Got me reelin' good time feelin'
It's a Cajun hoedown
